

# Back to Basics: Ten Common-Sense Principles to Help Cultivate a Culture of Life in Your Classroom (and Beyond)

A Webinar for High School Educators (Makeup Session)

Presented by Laura Kolbe, Instructor

Saturday, October 9, 2021

**COURSE OBJECTIVE:** Attendees will be able to identify principles of reason, justice, and ethics and integrate that knowledge into their curriculum and pedagogical practices.

## AGENDA:

**Part 1: INTRO TO LIFE PRINCIPLES** .....90 minutes

- Welcome/Introduction: Where is the need in your classroom?
- The Four Levels of Happiness
- The Categories that Define Culture (Four levels of success, quality of life, suffering, love and ethics)
- Principles of Reason
- Principles of Justice
- Principles of Ethics

**Part 2: WORKSHOP** .....30 minutes

- Assess potential curriculum fit
- Review sample lesson plan
- Adapt sample lesson plan to fit your curriculum (partner/group exercise)

**Part 3: DISCUSSION (optional)** .....30 minutes

- Q & A
- Share and discuss lesson plans
- Schedule individual consultation (if interested)

A Certificate of Completion, CEU request form, and evaluation survey will be emailed to all attendees within one week of course completion.
